Case No. MP-89-01

The Compact, Title II, Article XII, Section 9(a) mandates that no certificate of public convenience and necessity issued under Section 4 of said Article ". . . shall remain in force unless the person . . . holding such certificate complies with such reasonable regulations as the Commission shall prescribe governing the filing and approval of surety bonds, policies of insurance, [and] qualifications as a self-insurer . . . in such reasonable amount as the Commission may require . . . ." See also Commission Regulation No. 62, as amended by Order No. 2721, served June 19, 1985.

The certificate of insurance on file for Ironsides Medical Transportation Corporation (Ironsides) shows a policy expiration date of February 5, 1989. On January 4, 1989, the Commission advised Ironsides by letter that an appropriate certificate evidencing new insurance must be filed on or before the above-specified expiration date. No certificate of insurance covering Ironsides Medical Transportation Corporation has been filed. Accordingly, Ironsides appears to be in violation of Title II, Article XII, Section 9(a) of the Compact and Commission Regulation No. 62.

THEREFORE, IT IS ORDERED:

1. That the above-captioned proceeding is instituted pursuant to Title II, Article XII, Section 4(g) of the Compact for the purpose of determining whether Certificate of Public Convenience and Necessity No. 31 of Ironsides Medical Transportation Corporation shall be revoked.
2. That Ironsides Medical Transportation Corporation is made a party respondent to the above-captioned proceeding.
3. That Ironsides Medical Transportation Corporation is directed, within 30 days from the date of service hereof, fully to comply with the provisions of the Compact, Title II, Article XII, Section 9(a) and Commission Regulation No. 62, and is further directed within the same 30 days to file with the Commission an appropriate

certificate of insurance or such other evidence, in writing and under oath, as it may deem pertinent to show good cause why its Certificate of Public Convenience and Necessity No. 31 should not be revoked.

4. That Certificate of Public Convenience and Necessity No. 31 issued to Ironsides Medical Transportation Corporation is hereby suspended until further order of the Commission, and Ironsides Medical Transportation Corporation is directed to cease and desist from transportation subject to the Compact, until further order of the Commission.

5. That Ironsides Medical Transportation Corporation is hereby provided an opportunity for hearing pursuant to the Compact, Title II, Article XII, Section 4(g), and is directed to file within 30 days of the service date of this order an appropriate motion pursuant to Commission Rule No. 15, if it desires an oral hearing on this matter.
